The Best Care. Because We Care

NOTICE TO PROVIDERS

To: All Indiana Medicaid Behavioral Health Providers
From: Katherine A. Wentworth, MDwise Chief Operating Officer
Date: April 20, 2009
Re: CompCare

Over the last few weeks, MDwise has learned from many of you that Comprehensive Behavioral Health Care, Inc. ("CompCare") is not paying claims under its Hoosier Healthwise and Healthy Indiana Plan contracts with MDwise. MDwise understands that CompCare's failure to fulfill its obligations to pay provider claims is a serious concern and MDwise has taken several steps to address the situation.

First, MDwise filed a lawsuit on April 13, 2009, seeking a declaration from the court that CompCare is contractually obligated to pay provider claims. MDwise intends to vigorously pursue this litigation and seek a judicial resolution as quickly as is possible.

Second, although the contractual obligation to pay these claims lies with CompCare, MDwise understands that litigation may not bring immediate results. Therefore, MDwise has consulted with its delivery systems and is developing an alternative claims payment process to pay provider claims as quickly as possible.

Please know we are moving as fast as possible while preserving our legal claims against CompCare. When the alternative claims payment process is finalized, we will send detailed instructions on how to submit your outstanding claims. You should expect to receive a follow-up communication from MDwise no later than May 1st with further information. Thank you for your patience.
